Subject: Public Records Act Request Concerning AB 1511 (PRIVILEGED AND CONFIDENTIAL)

Governing Board Members (bcc):

The Santa Monica Bay Restoration Commission (Commission) has received a Public Records Act request seeking records pertaining to AB 1511. As you recall, AB 1511 was discussed at last month's Governing Board meeting of the Commission. The bill seeks to move the administrative services supporting the Commission from the State Water Resources Control Board to the California Coastal Conservancy. This request for records extends to Governing Board members. For purposes of the Public Records Act, a public record is "any writing containing information relating to the conduct of the public's business prepared, owned, used or retained by any state or local agency regardless of physical form or characteristics."

If you have any records, through email or otherwise, pertaining to AB 1511 in your capacity as a Governing Board member of the Commission, please provide these records to Guangyu Wang. He may be reached at guangyu.wang@waterboards.ca.gov.

If Guangyu does not hear from you in the next seven business days, then he and I will presume that you have made a reasonable effort to locate records and that you have no such records.

If you need additional time to respond to this request, or if you have questions pertaining to this email, please call me directly at (510) 622-2306 or send me an email to David.Coupe@waterboards.ca.gov.
